Treatment Oils

COLD SORE REMEDY

**Helps to soothe the symptoms of cold sores.
Natural alternative to lip medications.**

Contains a blend of Melissa (Lemon Balm), Tea Tree, Bergamot and Geranium Essential Oils, which are widely known for their antiviral, antibacterial, anti-fungal and anti-inflammatory properties.

Apply immediately upon feeling a tingle and continue applying liberally at regular intervals until tingling ceases. Can be used proactively on a daily basis, at the first sign of a flare up or once the blister has already formed.

OIL OF CLOVES

**100% pure essential oil of
Eugenia caryophyllata thunb (Clove Bud) Oil.**

Get rid of mould with Oil of Cloves. According to the cleaning genius Shannon Lush, the best killer of mould is Oil of Cloves. Can be diluted in water and applied directly to surfaces to actually kill mould spores. Acts as a mould preventative, helping to keep your surfaces mould-free for longer.
